Definitions

• **A trading company with foreign participation in the share capital** is such trading company partially or entirely established with the participation of natural or legal persons, with stable residence or registered office outside Romania.

• **Foreign investor** is a natural or legal person with stable residence or registered office outside Romania, having the capacity of associate/shareholder in a trading company with registered office in Romania.

• **Share capital** is the total value of the participation, in cash and in kind, subscribed by the shareholders upon incorporation of a company, and upon increase of the share capital during the trading company operation.

Subscription to the share capital by a foreign investor, according to the legislation in force, May be made in the national currency of Romania and/or in freely convertible currency.

Increase of share capital registered by submission includes:

- The foreign investors' participation out of new own resources, in cash and/or in kind, in lei and/or hard currency;
- participation from dividends obtained in Romania;
- acquisition of shares by a non-resident person from a resident one.

Decrease/(increase by) assignment of share capital includes the amounts representing participation in the share capital of non-resident associates/shareholders assigned to/(received from) resident associates/shareholders.

• **Foreign investment of capital in Romania** (**Is**) equals to the value of foreign capital subscribed upon incorporation (**I**) plus subscriptions through submissions to increase the foreign capital (**M**), plus/minus the assigned share capital by/to resident associates/shareholders (**C**), minus the share capital subscribed to companies struck-off from the trade register (**R**), i.e.:

$$Is = I + M \pm C - R$$

Used Terms:

• **incorporation** – represents the registration of the applicant in the trade register granting the quality of legal person thereto.

• **submission** – is the registration of the changes occurred during the operation of the company, such as: change of registered office, change of share capital, merger, winding-up, dissolution, etc.

• **strike-off** – is the operation of removing a company with foreign investor from the trade register, setting out the date a company loses its quality of legal person as a result of dissolution or winding-up thereof. The data regarding strike-offs also include trading companies under the provisions of Law No. 314/2001.

• **Operations** performed in the trade register represent all the registrations including incorporations, submissions and strike-offs of trading companies with foreign participation in the share capital, irrespective of the nature of activity and type of trading company.

- **Terms used in tables and charts**

- **Number of trading companies:** depending on the table, it represents the number of trading companies incorporated during the reference period, the number of companies having registered increases/decreases of share capital, the number of trading companies struck-off from the trade register.

- **The value of the subscribed share capital:**

- **a total, expressed in national currency:** the value of the subscribed share capital resulted from adding up the values subscribed in national currency (lei) with the value in freely convertible currency exchanged in lei, at the exchange rate, notified by the National Bank of Romania, of the date of the deed of incorporation/modifier document;

- **a total, expressed in currency equivalent:**

- USD** : the value of the subscribed share capital obtained by adding up and exchanging into USD the freely convertible currency, and the national currency (lei), at the exchange rate, notified by the National Bank of Romania, of the date of the deed of incorporation/modifier document

- Euro** : the balance existing at the end of each month, calculated in equivalent USD, are exchanged into Euro at EURO/USD exchange rate, notified by the National Bank of Romania, of the last working day of the respective month.
